

Protection of personal data collected and USAMV Bucuresti

In accordance with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC the University of Agronomic Sciences and Veterinary Medicine of Bucharest, headquartered in 59, Marasti Blvd., 011464, Bucharest, is a personal data operator.

1. Collect personal information

The University of Agronomic Sciences and Veterinary Medicine of Bucharest collects and processes your personal data for the purpose of fulfilling its legal duties according to the law, respectively for the purpose of providing educational services.

The specific categories from which USAMV of Bucharest collects and processes personal data are as follows:

- Identity (name, surname, etc.);
- Identification (personal identity number, series and number of documents, etc);
- Contact (address, e-mail address, telephone, etc.);
- Education (name of faculty, specialization, field, etc.);
- Financial (bank account, different payments, etc.)

According to EU Regulation no. 679/2016, each processing of personal data fulfills one of the following conditions: the data subject has given his or her consent for one or more specific purposes, is required for the performance of a contract to which the data subject is a party, is necessary for the legitimate interests of the operator or a third party.

2. Security measures

Information collected about you is kept in written and / or electronic form. USAMV in Bucharest ensures that the information we hold is kept in secure locations with an adequate security level and authorized access for the designated personnel. We also ensure that these empowered persons are contractually required to implement technical and organizational data protection measures if the data processed by them identify or could identify a person.

3. Location and storage duration

Collected personal data is stored on USAMV servers in Bucharest, in rooms with adequate security and authorized access. The storage life of each category of personal data is in accordance with the legal requirements, with the internal regulations of the USAMV of Bucharest and with the best practices in the field.

4. Customer Rights

According to Regulation no. 679/2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC:

- Right of access of the data subject - Art.15
- Right to rectification - Art.16
- Right to delete data ("the right to be forgotten") - Art.17
- Right to Restrict Processing - Art.18
- Right to opposition – Art. 21

The availability of these rights depends on the legal justification of the processing if the processing of your personal data is based on your consent. You have the right to withdraw your consent at any time without affecting the lawfulness of the processing under consent prior to its withdrawal.

5. Request a copy of the personal data held by USAMV Bucharest

According to Regulation no. 679/2016-GDPR, you have the right to send a complaint to the National Supervisory Authority for Personal Data Processing. More details can be obtained at <http://www.dataprotection.ro/>. You may request a copy of the information held by USAMV of Bucharest by requesting access. To request a copy of the data held about you or to update your information, please contact the Data Protection Officer via the e-mail address pdcp@usamv.ro. Your request must contain: first and last name, personal identity number and home address.

Personal data held by USAMV of Bucharest are subject to EU Regulation no. 679/2016 which gives the data subjects the right to access all types of recorded information held by the data controller subject to certain limitations.

By participating in the public events organized by / within USAMV Bucharest, you agree that the University of Agronomic Sciences and Veterinary Medicine of Bucharest will process the personal digital image for events promotion purposes. The audio-video recordings and the photos are published on the University's online communication channels (social media, websites and platforms). It is forbidden to reproduce, distribute or publish materials on the site by any person without the prior written consent of the institution.
